Due Feb 19 by 11:59pm **Points** 12
Submitting a file upload **File Types** zip
Available Feb 5 at 12am - Feb 20 at 2:59am

This assignment was locked Feb 20 at 2:59am.

Instructions

OVERVIEW

In this milestone, you need to use Clingo to find the stable models of 3 basic ASP programs.

Please look at the following files:

1. **Instruction on PM2** (<https://canvas.asu.edu/courses/143179/files/59528840?wrap=1>)
2. **[Template] 579 Project Milestone 2 -- Solutions to Basic Clingo Problems.docx** (<https://canvas.asu.edu/courses/143179/files/59528815?wrap=1>) [9 points]
3. **Questions** (<https://canvas.asu.edu/courses/143179/files/59528814?wrap=1>) [3 points]

For this assignment you need to submit a *zip file* . Including template, saved as [milestone2.pdf] and questions [question.pdf].

Thanks,
Samira
